- In VIP toilets:- Tissue Rolls, Air Fresheners, Urinal cubes, Naphthalene balls, liquid Soap, Towels (minimum 36"x18" size).

6) DUTIES, OBLIGATIONS AND TERMS & CONDITIONS OF THE CONTRACT

- a) The contractor shall have to clean the area as per minimum frequencies mentioned. However, the cleaning shall have to be done more frequently if required for proper housekeeping upon the instructions of the Housekeeping-in-Charge, for which no extra amount shall be paid.
- b) The contractor should work as per the scope of work mentioned in the tender and also as per the direction of the AEGCL. The contractor shall work in close coordination with AEGCL officials working in various establishments related to which the work has been awarded and modify working schedule if required as per users' convenience. No claim whatsoever on this account shall be entertained.
- c) AEGCL shall provide site office for storage of machines, material and chemicals, with minimum required infrastructure like Electricity, Water Supply etc., for which no rentals for space will be recoverable. However, no extra payment shall be admissible for carriage/shifting etc.
- d) No tools & plants including special T & P etc. shall be supplied by the AEGCL. The contractor will have to make his own arrangements at his own expense for all machines, chemicals, consumables etc.
- e) The contractor shall dispose off garbage, *malba*, rubbish & other unserviceable materials and waste at Dust Bin of AEGCL's premises and under no circumstances, these shall be stacked/dumped even temporarily within the building or the surrounding premises.
- f) Materials and chemicals required shall have to be bought by the contractor in advance for each month at his own cost. It may be noted that the material and chemicals required shall have to be brought at site and shall be kept in the safe custody at the place given by AEGCL. In case, it is observed that the cleansing material used is of inferior quality or insufficient quantity is used, the AEGCL will reserve the right to purchase the same itself and deduct the cost thereof out of the monthly bill payable to the contractor.
- g) If required, the contractors should carry out manual cleaning/sweeping in the portions where machines do not give proper and desired level of cleaning. The standard of sanitation/cleanliness shall always be to the satisfaction of the authorized representative of the AEGCL whose decision in this regard shall be final and binding on the contractor.
- h) The contractor shall arrange the necessary water supply, fitting, flexible pipe etc. for taking water from the water taps and extension wires for electricity tapping provided in the building for the work of housekeeping at his own cost. However, water & electricity will be supplied free of cost.
- i) The contractor shall supply the workers with minimum two sets of uniforms (including winter uniforms) so that they wear them during work time and keep them clean.
- j) The contractor shall take at his own cost, if required, necessary insurance cover in respect of staff and other personnel to be employed or engaged by him in connection with the mentioned services to be rendered to AEGCL and shall comply with all relevant labour laws as applicable to the area as existing or as may be mentioned during the contract period and shall indemnify AEGCL against all acts of omissions, fault, breaches and or any claim or demand, loss injury and expenses to which AEGCL may be party or involved as a result of the contractor's failure to comply and of the obligation under the relevant act law which the contractor is to follow.
- k) All the materials/chemicals/consumables brought to site shall be protected suitably duly wrapped/packed & stored so as to avoid any damage during loading transportation/unloading & handling due to weather conditions etc. at any stage
- l) The contractor should procure the required equipment/machines for housekeeping at site within 7 days from the date of receipt of written letter of intent from the AEGCL. The date of

commencement shall be the date on which work is actually taken up at site after physical procurement of all machines/equipments and material at site immediately on commencement of work.

- m) The cost of Machine Housekeeping will be borne by the contractor. The successful tenderer has to properly maintain the machinery required for the cleaning purpose, for which he may enter into an AMC with reputed company.
- n) The chemicals should be Eco-friendly, Bio-degradable of international quality as mentioned in the tender document. Other chemicals of equivalent quality can be used by taking written consent from the AEGCL Officials.
- o) The work shall be carried out in the manner complying in all respects with the requirements of relevant bye-laws of the local body under the jurisdiction of which the work is to be executed.
- p) Contractors and their workers to follow strictly all safety precautions required for handling machines, electrical power, work on heights etc., and the AEGCL will not be responsible for any losses, damages, injuries or fatalities. The contractor shall comply with proper & legal orders & direction of the local or public authority or municipality and abide by their rules & regulations & pay all fees & charges which may be liable.
- q) The standard of sanitation/cleanliness shall always be to the satisfaction of the authorized representative of the officer in-charge of the AEGCL whose decision in this regard will be final and binding on the contractor.
- r) The contractor shall appoint exclusively for this work one qualified and experienced exclusive Supervisor / Operation Manager who shall coordinate with the authorities concerned of the AEGCL as & when needed.
- s) The contractor shall execute his work in such a manner that no damage is made to the existing structure. The contractor shall conduct his work so as not to interfere with or hinder with the operations of other contractors, or he shall arrange his work with that of the others in an acceptable & co-ordinate manner & shall perform it in proper sequence to the complete satisfaction of AEGCL In-charge.
- t) Existing drains, pipes, cables, overhead wires, sewer lines, water lines and other services encountered in the course of the execution of the work shall be protected against the damage by the contractor at his own expense.
- u) The contractor shall not store materials or otherwise occupy any part of the site in a manner likely to hinder the operation of such services.
- v) After execution of work, contractor shall store the cleaning Material & equipment in proper organized manner at site.
- w) Income Tax as per Income Tax Rules & GST Rules will be recovered from the gross of the bill.
- x) The antecedent of all the workers deployed by the contractor will have to be verified from the police. The Agency's workers shall not enter into any unlawful activity within the AEGCL's premises and shall have good moral character.
- y) All the initial cleaning works must be completed before 9.30 a.m. everyday. The contractor shall not assign the contract or sub-let any portion of the contract except with the prior written consent of the AEGCL.
- z) The AEGCL reserves the right to order any worker of the contractor to leave the premises of the AEGCL if his/her presence at any time if felt undesirable.
- aa) The tenderer shall visit the site & examine the availability of space in detail for execution of the work and deployment of machinery.
- bb) Shifting of items of stationery/records/furniture/equipments etc., within the premises, as and when required, to be carried out by the contractor.

7) **The Expression of Interest (EOI) process**

The EOI is the first stage of a multi-stage tender process. The objective of EOI process is to identify and pre-register organisations that are interested in entering into the proposed contract and have suitable capacity, capability and experience.

An Evaluation Committee will evaluate EOI applications on the basis of the evaluation criteria set

out of this Request for Expressions of Interest (Request for EOI).

Unless specifically stated in this EOI, AEGCL will not be liable for any costs incurred by applicants through participation in the EOI process.

After evaluating EOI responses, shortlisted applicants will be invited for detailed presentation of their proposals for which the time and venue will be communicated accordingly.

After presentation of their proposal, final short listing will be done and BOQ will be prepared. Only the qualified bidder will be eligible to participate in the final Tender.

(B) INFORMATION TO APPLICANTS

1) Place of submission of EOI

The application with all documents duly signed by authorised signatory should be submitted in sealed envelope. The envelope should be addressed to:-

**The Deputy General Manager (Civil)
Assam Electricity Grid Corporation Limited
Ground Floor, Bijulee Bhawan, Paltanbazar, Guwahati-01**
