B) Criteria to determine in case of Tie-up in total marks for CBT examination of AEGCL.

In case of a Tie in score the following methods will be followed:

In case of two or more candidates obtaining equal marks in their examination, the inter-se-merit of such candidates will be determined in the order of preference as under: -

- i) Total Marks Scored in Core Subject (Part -B)
- ii) Total Marks Scored in (Part –A)
- iii) Less Negative Marks in Part B preferred. If the tie still persists, then- an older candidate will be preferred over a younger candidate.
